The enchantment of an evergreen taste

La bellezza della forma e la straordinaria varietà di proposte possono conquistare fin dal primo sguardo, ma è solo sfiorando le finiture e le pregiate decorazioni artigianali, toccando fisicamente con mano la qualità dei materiali utilizzati e la solidità delle strutture, che si comprende davvero l'assoluta inimitabilità del mondo Cantori. Le proposte, che spaziano dal classico al contemporaneo, dalla realizzazione in ferro battuto al rivestimento di tessuto imbottito, insieme all'ampia collezione dei complementi e degli accessori di arredo, trasmettono alla casa tutto il fascino dell'atmosfera Cantori attraverso un coerente ed articolato percorso stilistico. Tutto nel mondo Cantori è coordinamento di immagini e contenuto, totale integrazione di forma e sostanza.

The beauty of shape and the extraordinary variety of compositions can win you over at first glance, but it is only when you skim over the soft finishes and the fine handcrafted decorations, physically touching the quality of the materials used and the sturdiness of the frames that you will truly understand the absolute inimitability of Cantori's world. The beds are available in an aesthetic and functional range that spans from classic to the contemporary and together with an exhaustive collection of furnishings and accessories, transmit all the charm of Cantori's atmospheres to your home, thanks to a detailed and precise style choice. The entire Cantori's entire world is a co-ordination of images and contents, the total integration between shape and substance.
